

## EC Certificate of Conformity

**Certificate No. 0086 – CPD – 565384**

In compliance with the Directive 89/106/EEC of the Council of European Communities of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to construction products (Construction Products Directive – CPD), amended by the Directive 93/68/EEC of the Council of European Communities of 22 July 1993, it has been stated that the construction product

### Spherical Bearings

characterised as

**GE Series Free, Fixed or Guided Bearings for structural and industrial applications and loads up to 3000 Tonnes**

Placed on the market by

**Ekspan**

**Compass Works, 410 Brightside Lane, Sheffield, S9 2SP**

are submitted by the manufacturer to a factory production control and that the notified body – BSI – has had performed the initial type-testing for the relevant characteristics of the product, the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control.

This certificate attests that all provisions concerning the attestation of conformity and the performances described in the Annex ZA

**EN 1337 Part 7 : 2004**

### Structural Bearings – Part 7: Spherical Bearings

were applied and that the product fulfils all the prescribed requirements.

For and on behalf of the British Standards Institution, a Notified body for the above Directive (Notified Body Number 0086):

David W. Ford, Executive Director, BSI Healthcare and Testing Services

Date: 25th January 2011

This certificate first issue: 25th January 2011

This certificate remains valid as long as the conditions laid down in the harmonised technical specification in reference or the manufacturing conditions in the factory or the factory product control itself are not modified significantly.

The British Standards Institution is incorporated by Royal Charter.
